

# The Children of Chaos Believe their Hour has Come

by Jeremy James

**Balaam blessing the children of Israel.**

Balaam in the Book of Numbers is never described as a sorcerer, so we may conclude that he did not use drugs and potions to obtain influence over people. His real skill, it would seem, was his ability to see deeply into the supernatural realm. When he was about to receive a vision, the Word of God speaks of him “falling,” meaning coming under a supernatural influence. To observers he had fallen into a trance but continued to keep his eyes open (**Numbers 24:4** and **24:16**). Perhaps it was more usual in those times for a person in a mediumistic trance to have their eyes closed.

The LORD shows us what He thought of Balaam’s visionary ability by allowing a donkey to see what he was unable to see. Worse still, the donkey spoke to him. In this simple episode our heavenly Father put the great illuminated ones of Gnosticism and Babylonian Freemasonry in a category below “donkey.” We know from the Book of Exodus that a donkey, in a spiritual sense, is someone who utterly rejects the gift of redemption:

**“And every firstling of an ass thou shalt redeem with a lamb; and  
if thou wilt not redeem it, then thou shalt break his neck...”  
(Exodus 13:13)**

Note that the Lamb CAN redeem the donkey, but the donkey isn't interested. In that sense he is akin to Nabal, whose wife was Abigail. The Word of God tells us that Nabal, whose name means *fool*, was **“churlish and evil in his doings” (1 Samuel 25:3)**. When Nabal heard that his wife had gone to David in an attempt to “redeem” her husband, he keeled over in shock: **“And it came to pass about ten days after, that the LORD smote Nabal, that he died.” (1 Samuel 25:3)** In effect, by divine decree, the donkey's neck was broken.

Balaam is a type of Judas, one who was given a true prophetic gift but decided to use it for material gain. Before he tipped over completely into outright apostasy, he was used by God to deliver a number of remarkable prophetic statements about Israel. Before making the most important of all, the Word of God prefaced the prophecy with unusual emphasis, referring to God Almighty three times in succession (“...of God...the most High...the Almighty”):

**“He hath said, which heard the words of God, and knew the knowledge of the most High, which saw the vision of the Almighty, falling into a trance, but having his eyes open:” (Numbers 24:16)**

He then delivers the prophecy itself:

**“I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth.” (Numbers 24.17)**

Balaam foretells the future advent of Jesus Christ, the Messiah, the “Star out of Jacob” – **“I am the root and the offspring of David, and the bright and morning star.” (Revelation 22:16).**

This wonderful prophecy refers immediately to the fact that Jesus, as King of Israel (holding the *Sceptre*), will **“destroy all the children of Sheth.”**

**Balaam beats his donkey.**

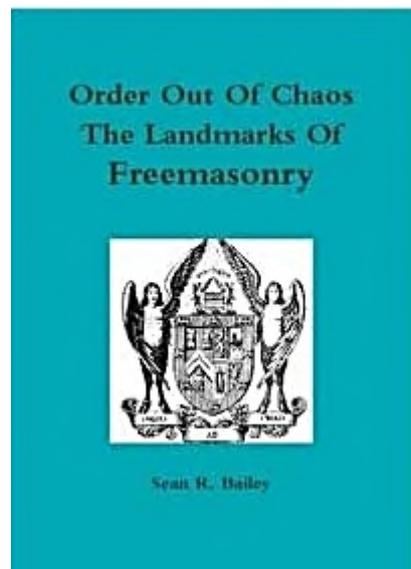

## **The Children of Sheth**

But who exactly are these people? We know from the Book of Revelation that Jesus will defeat the Antichrist and annihilate his armies, but we are told here in the Book of Numbers that he will also destroy the children of Sheth. We can infer from this that the children of Sheth are those who cleared a path for the arrival of the Antichrist, who brought about the societal and other changes needed to facilitate his rapid acquisition of control over all nations and the subjugation of humanity.

The word Sheth (Strong's H8351) means "turmoil" and appears only once in the Bible. It could just as easily mean "chaos," a recognized synonym for tumult and turmoil. Thus Christ will destroy the Children of Chaos, namely those who intrigued secretly against mankind, who rejected the sovereignty of Almighty God and turned the natural order upside down.

These are the ones who call evil good and good evil, who put darkness for light and light for darkness (Isaiah 5:20). These are the ones whom 2 Samuel 7:10 calls the *children of wickedness* – a term we have employed many times in our papers. This is the Babylonian cabal which, from the time of Nimrod, has worked closely with the god of this world to enslave mankind.

They themselves boast of the role that chaos plays in the achievement of their goals. They pretend to be able to bring order out of chaos and have elevated chaos to an alchemical step in the process of creation. They think they are gods and that they have the ability to "build back better" – an expression used today by many of the world's political leaders. But "build back better" is just another way of claiming that they are able to create "order out of chaos."

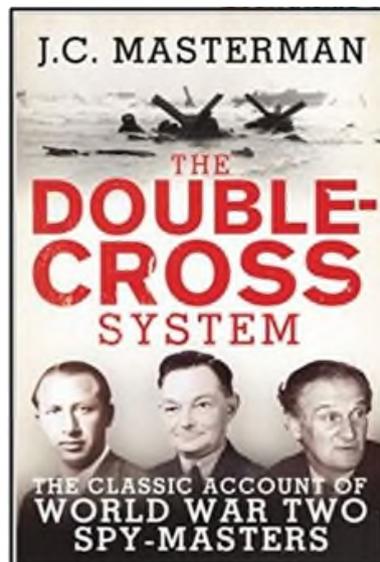

***Order Out of Chaos: The Landmarks of Freemasonry,***  
**by S R Bailey, published in 2011.**

They see the so-called Great Reset as their moment of triumph, when the old order is finally torn asunder, sabotaged from within by the very people who had pledged to hold it together. Mankind has been double-crossed by these demonised schemers. Having installed their people at the highest levels of government and public policy, banking and commerce, the military and communications, they are now working in concert to bring the existing order crashing to the ground. They then plan to “build back better.”

## **Double-cross**

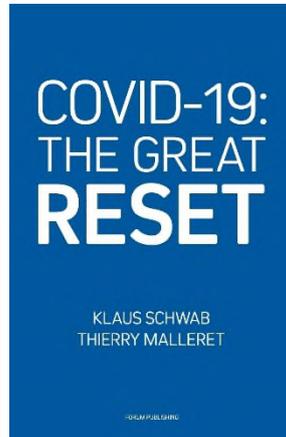

The average person finds it very hard to comprehend the degree of human suffering that the Children of Chaos are willing to engineer en route to world domination. They experience acute cognitive dissonance when they try to reconcile the ‘world that never changes’ with the chaos that these evil beasts are willing to unleash. So the majority of mankind hide their eyes from the evidence, even the many undeniable facts which show that our governments are run by treasonous liars who serve the Children of Chaos.

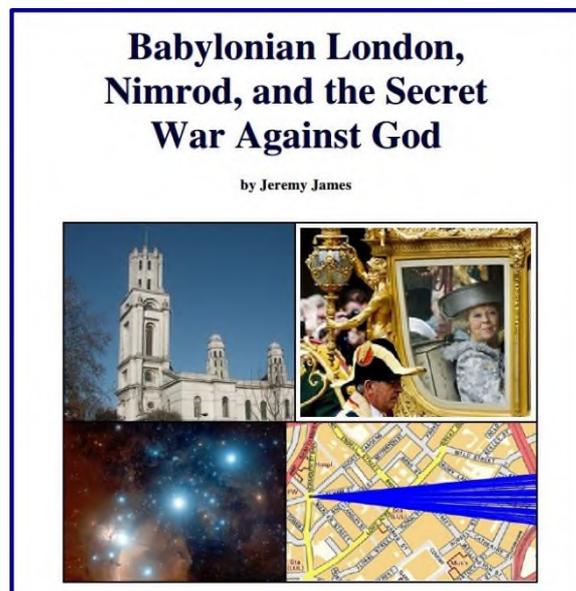

To most, this fantastic double-cross is unfathomable. The Babylonians, who attach great importance to their occult symbols and their magic rituals, take special delight in mocking their victims. For them it is all part of the programming, a slow debasement of the mental values which enable us to distinguish reality from their many mischievous counterfeits, decoys and deceptions.

They pressed the *Great Reset* button in March 2020 with the so-called Covid pandemic. This paved the way for an ever-deepening chaos in our economies and, most importantly, the slow corruption of our physical bodies using toxic inoculations disguised as ‘vaccines.’ The mainstream media, which they control, began to speak of vaccine recipients as people who had been “vaxxed”. This is not an official word in the English language but a neologism which appears to have gained currency from a documentary made in 2016.

The Children of Chaos want to have everyone “vaxxed.” They love the word and use it as much as possible in place of “vaccinated” because it contains the ‘xx’ symbol, meaning a double-cross. The innocent masses have been fatally tricked by leaders and institutions whom they thought they could trust. They were all double-crossed. (As we pointed out in an earlier paper [#217] the name “Covid” comes from an old English word meaning fraud or deception.)

The Satanic response to the Reformation involved the creation of new philosophies to challenge the truths and wisdom of the Bible. These included the so-called ‘Enlightenment’ movement of the 18<sup>th</sup> century. But this would never have got going without the rise of science and the scientific method. The Children of Chaos set this in motion with the formation of The Royal Society in 1660, an institution designed, not just to promote scientific enquiry, but to control it. All advances in science ever since have been closely overseen by this institution, which is based in London. Indeed, much of what Satan has been doing in the world ever since has been co-ordinated through the city of London. [See our paper, #56 (*Babylonian London, Nimrod, and the Secret War Against God*) for a detailed look at London as the modern equivalent of the ancient Egyptian city of Heliopolis, for many years the center of Satanism on earth. The Bible called it Beth Shemesh, “House of the Sun.”]

## Too difficult to believe

One of the main reasons they have been able to get this far is that the average person cannot even begin to imagine that a cabal like this exists or that it is capable of exercising so much control over world affairs.

Tyrants of the past found it was far simpler to annihilate an ethnic group if they first convinced their own people, especially the military, that the other group was sub-human. The Nazis convinced a large percentage of the German people that the Jews were vermin. Those who took this belief to extremes had no difficulty rounding up Jews and disposing of them. The radical few believed they were legally and morally entitled, if not obliged, to carry out this evil deed, while the greater number stood aside and let it happen. They said nothing because, as distasteful as it was, the radical subjugation of another ethnic group seemed necessary for the greater good of society.

We are seeing this today. Those who refuse the Covid vaccination are being increasingly portrayed in the mainstream media as vermin, as carriers of a disease that could kill many innocent people. For the greater good of society they must be rounded up and forcefully vaccinated or consigned indefinitely to a quarantine camp. This is all by design, an age-old technique implemented under the guise of a medical emergency.

The Elite were preparing the ground for this before the Covid ‘pandemic’ even began. For example, on 30<sup>th</sup> April, 2019, the *Washington Post* ran a provocative opinion piece by a highly placed insider, Juliette Kayyem [see insert]

**“Professor Juliette Kayyem has spent over 20 years managing complex policy initiatives and organizing government responses to major crises in both state and federal government. A national leader in homeland security, resiliency and safety, she is currently the Belfer Senior Lecturer in International Security at Harvard's Kennedy School of Government, where she is faculty chair of the Homeland Security and Security and Global Health Projects.”**

**– Harvard Kennedy School website**

**Yet another covert transgender**

Let's start with the title of her article: '**Anti-vaxxers Are Dangerous. Make Them Face Isolation, Fines, Arrests.**' It was obviously intended to grab her readers' attention and challenge their belief that non-vaccinated people pose no threat to society.

Now for some excerpts:

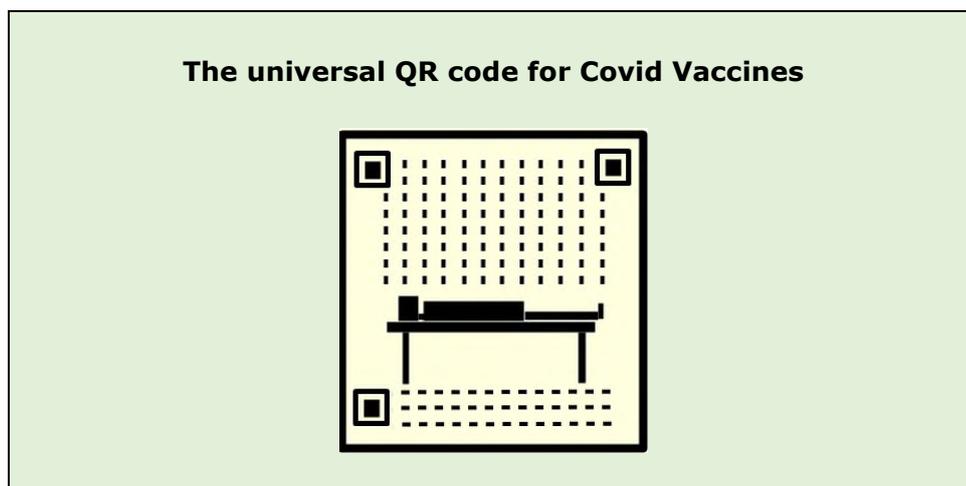

"These anti-vaxxer parents – call them free-riders or even pro-plague – are putting my children and our communities at risk to cater to their erroneous belief that vaccinations would harm their children rather than contribute to the elimination of childhood diseases..."

"Imagine, instead, that this [measles] outbreak is what happens when negligent people do negligent things, such as sending a kid to school with a loaded gun and hoping for the best..."

"The initial steps we have taken are essential: prohibit non-vaccinated children from public spaces, including schools; promote educational efforts; and, in extreme cases, force isolation on pockets of populations that might have been exposed to the outbreak..."

"In the same way we have created sex-offenders lists to protect our children, communities can inventory families that choose not to be vaccinated, notifying employers of these parents as well as neighbors who may choose not to expose their children..."

Remember, these extreme statements were made in the context of a supposed measles outbreak, NOT Covid. If those who refuse to be vaccinated against measles are to be viewed as the moral equivalent of sex-offenders and pedophiles, we can expect Kayyem and her cronies to advocate even more drastic measures for those who refuse the Covid vaccine.

Lest anyone doubt that this is happening, please ponder the callous diatribe published by *The Mirror Online* on 20<sup>th</sup> September, 2021. The author was popular columnist Susan Boniface, who was writing under her byline, *Fleet Street Fox*. Here is how the *Mirror* itself describes Ms Boniface:

 **Mirror**

 **Fleet Street Fox**  
Columnist

---

Fleet Street Fox is the pseudonym of Susie Boniface, a columnist for Mirror Online, author, blogger and a journalist on local and national newspapers for more than 20 years. She is now freelance and writes for a range of publications, commentates on TV, lectures in journalism at various universities and is a big fan of Jaffa cakes.

The title was just as incendiary as the one used by the *Washington Post*:

***‘Anti-vaxxers want to kill your babies, stage a coup and cause another lockdown’***

We give just a few excerpts from her highly inflammatory denunciation of innocent people:

“Picture someone determined to live in the 14th century and drag you, your family, and your democracy back there too... it is reasonable to say [that] promoting those ideas, forcing them on others, or joining such a group of fatally-thick knuckledraggers is so likely to kill people that it should be a crime...

“If these people were wearing swastikas and throwing Nazi salutes, the head of MI5 would be giving interviews about how the biggest threat to British lives was baby-killing fascists...

“The world's terrorist organisations aim to create terror, whereas the anti-thinking brigade do it by accident...

“Telling lies about jabs could kill thousands among the unvaccinated, and thousands more as a side-effect of lockdown...

“If Britain goes back into lockdown this winter, our government and our conspiracy theorists will be equally responsible for it, and for the deaths of a winter wave. There is not a terror group or tyrant in the world capable of something that damaging, nor quite as likely to get away with it...

“We send drones to take out troublemakers in Syria and send special forces into the Iraqi badlands. But with homegrown idiots who are far more deadly to our health, we guarantee them freedom of speech, let them gather outside Parliament, and allow them to proselytise in plain sight...

“...if you talk about staging a coup... or lie about a lifesaving vaccine, you're committing something terrifyingly close to murder, insurrection, and child abuse, yet go unpunished...

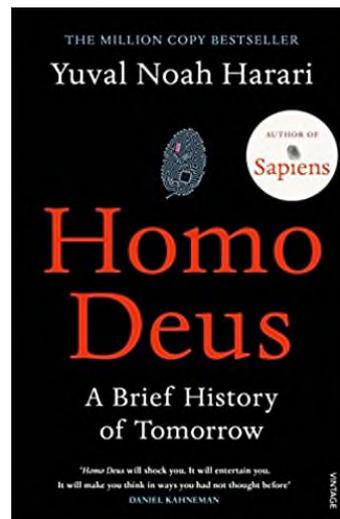

“Updating our laws to make the spreading of harmful conspiracy theories an act of treason, though, would mean that not only could the ringleaders be shut down, they also could be deradicalised, medicated and educated. They are terrorists, and should be treated as such.”

We seem to have gone from Boniface to Scarface. It is incredible to think that a major British newspaper should publish such venomous material, designed solely to incite undiscerning readers to loath their fellow man. We are no longer talking about the gutter press or decadent journalism but a brand of vile propaganda worthy of the Ku Klux Klan.

## The evil mentality behind all of this

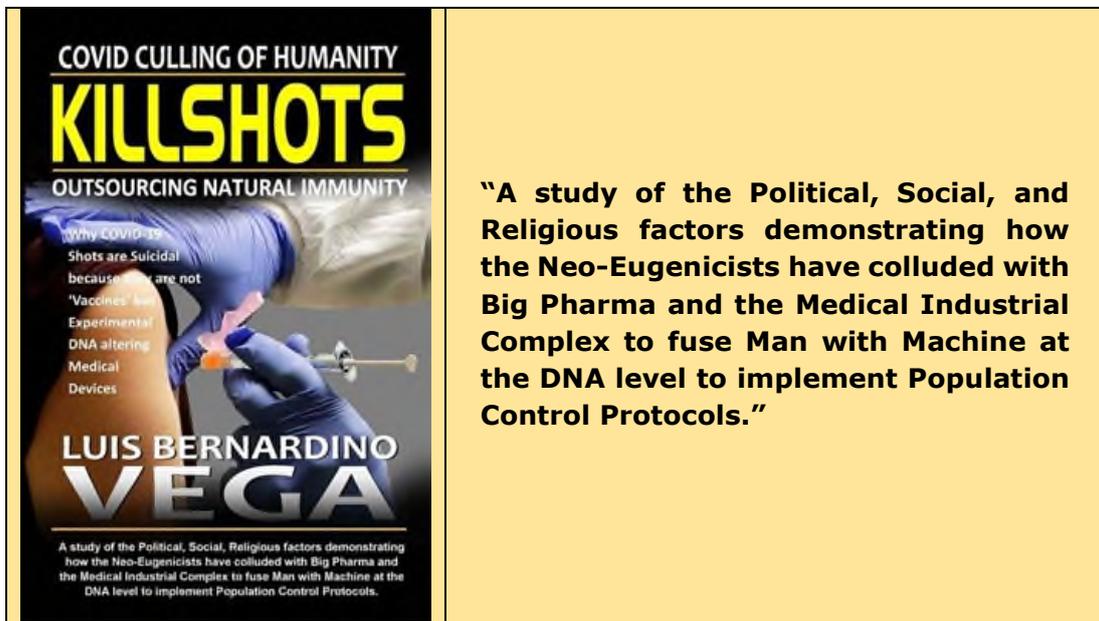

The mentality behind all of this is hard to comprehend unless one sees that real evil exists in this world, and that the evil is highly organized. We could give countless quotations to show just how much contempt the ‘Elite’ have for the common man. For practical reasons we must confine ourselves to just one, but one which opens a peekhole into a workshop where a hideous transhumanist future is being constructed. The quote is by Yuval Harari, a professor at the Hebrew University of Jerusalem.

“Governments and corporations, for the first time in history, have the power to basically hack human beings. There is a lot of talk about hacking computers, hacking smart phones, hacking bank accounts, but the big story of our era is the ability to hack human beings. And by this I mean that, if you have enough data and you have enough computing power, you can understand people better than they understand themselves. Then you can manipulate them in a way which was previously impossible. And in such a situation the old democratic system stops functioning. We need to reinvent democracy for this new era in which humans are now hackable animals. You know, the whole idea that humans have this soul or spirit and they have free will...That’s over.”

Professor Harari has spoken several times at meetings of the annual World Economic Forum in Davos. He has become, through his talks and writings, a promoter of their model of humanity, where men and women are nothing but animals without a soul. Enormous advances in Artificial Intelligence (AI) in the past twenty years have enabled governments and corporations, as Harari says, to enter the mind of the individual electronically, to read his or her emotions, and even to implant images and ideas which the individual will believe are his own. They envisage a situation, which Harari has discussed in other talks, where “new kinds of entities” will run the world, beings incorporating human, electronic, and AI capabilities. This is known as the Transhuman Agenda, where an elite caste of superior humans will rule over a greatly reduced world population, held in check by total electronic surveillance.

AI will carry out the vast majority of manufacturing, commercial, agricultural and related activities, leaving billions of humans redundant. This “useless class” – as Harari calls it – will be surplus to requirements. The Elite refer to these people as “useless eaters” which will have to be eliminated. Since they are animals without a soul, their extermination will amount in their minds to nothing more than the culling of a herd that has grown far too large for its environment.

## The Culling of Humanity

As many people are now starting to realize, mass vaccination programs provide an ideal way of doing this on a grand scale – quickly, efficiently, and with little resistance.

For those who are not familiar with the Bible and the wealth of prophetic information it provides about the ‘End Time’, the vista before them will likely be terrifying. But for Christians who believe and study the Word of God, the coming turmoil is well understood. They know how these transitional events fit into God’s plan for mankind.

The Enemy will use this period of upheaval to convince the world that “the Jews” were behind it all. Just as Hitler blamed the Jews for Germany’s economic woes, the coming world leaders will blame Israel and the “worldwide Jewish conspiracy.” Satan wants to annihilate the Jews and thereby sabotage God’s plan for mankind. In doing so he hopes to prove that God cannot keep all of His promises and that His Word is not reliable. This would make God a liar and thus disqualify Him from exercising judgment of any kind over Satan.

Jesus also said that he would return to earth only when his people, as a nation, called out to him and acknowledged him as their King and Messiah:

**“Behold, your house is left unto you desolate. For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord.” (Matthew 23:38-39)**

If Satan can turn the entire world against the Jews, he may succeed in destroying them before they call on their true Messiah, Jesus of Nazareth. That’s the plan.

### **The Nazi approach**

We can learn a lot about this from the way the Nazis treated the Jews. Let me stress from the outset that we are not speaking about a nation or a people who deserve the recognition that God has given them. They are just as wretched and sin-damaged as the rest of us. The LORD in His sovereign wisdom selected the descendants of Jacob for a purpose. He gave them certain promises and confirmed that, though they would rebel against Him, a remnant among them would ultimately repent and return to Him, thus completing the program of redemption – for both Jew and Gentile – which the LORD set out in His Word.

The greatest harm to the Jewish people is likely inflicted on them from within, from their own kin. The Bible gives many instances of this. For example, when the prophet Jeremiah informed the wealthy merchant class in Jerusalem that they were violating God’s commandment by keeping fellow Jews as bondmen or slaves, they agreed – by a solemn covenant – to release them. Since the Babylonians were surrounding the city at that time, the merchants were hoping the LORD would reward their obedience by lifting the siege. However, when a large Egyptian army came from the south and the Babylonians lifted the siege to deal with the threat, the wealthy merchants immediately recanted and rounded up the Jews that they had just released!

This reveals a degree of greed and avarice, of arrogance and downright malevolence which boggles the mind. How could anyone dare to mock God in this way! Jeremiah records His scathing rebuke:

**“Therefore thus saith the LORD; Ye have not hearkened unto me, in proclaiming liberty, every one to his brother, and every man to his neighbour: behold, I proclaim a liberty for you, saith the LORD, to the sword, to the pestilence, and to the famine; and I will make you to be removed into all the kingdoms of the earth.**

**“And I will give the men that have transgressed my covenant, which have not performed the words of the covenant which they had made before me, when they cut the calf in twain, and passed between the parts thereof, the princes of Judah, and the princes of Jerusalem, the eunuchs, and the priests, and all the people of the land, which passed between the parts of the calf [i.e. who made the solemn covenant]; I will even give them into the hand of their enemies, and into the hand of them that seek their life: and their dead bodies shall be for meat unto the fowls of the heaven, and to the beasts of the earth.”**

**- Jeremiah 34:17-20**

The same wealthy class were wielding power with equal disregard for the welfare of the common people – fellow Jews – in the days of Ezra and Nehemiah. The exploitation seems to have been severe. Nehemiah paints a dire picture in chapter 5 where

**“there was a great cry of the people and of their wives against their brethren the Jews... We have mortgaged our lands, vineyards, and houses, that we might buy corn... and, lo, we bring into bondage our sons and our daughters to be servants, and some of our daughters are brought unto bondage already: neither is it in our power to redeem them; for other men have our lands and vineyards.”**

He records that **“I was very angry when I heard their cry and these words.”** He gathered together the nobles and rulers and rebuked them: **“will ye even sell your brethren? or shall they be sold unto us?”** Then he ordered them to restore everything they had taken from the common people:

**“Restore, I pray you, to them, even this day, their lands, their vineyards, their oliveyards, and their houses, also the hundredth part of the money, and of the corn, the wine, and the oil, that ye exact of them. Then said they, We will restore them, and will require nothing of them; so will we do as thou sayest. Then I called the priests, and took an oath of them, that they should do according to this promise.” (Nehemiah 5:11-12)**

Next he performed a prophetic act or ‘similitude’ which conveyed through mime – in addition to his words – the force of his message:

**“Also I shook my lap, and said, So God shake out every man from his house, and from his labour, that performeth not this promise, even thus be he shaken out, and emptied. And all the congregation said, Amen, and praised the LORD.” (Nehemiah 5:13)**

As Ezekiel foretold, there will be a great shaking in the End Time (“**in that day**”) when all Jews who exploited their fellow Jews (and Gentiles) in this ruthless way will be shaken out and emptied:

**“For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel” (Ezekiel 38:19)**

Jesus warned us to be wary of those within Judaism who secretly work for Satan. He called them the Synagogue of Satan, “who say they are Jews and are not.” We take this to mean they are not Jews in the sight of God, though it may also mean they are interlopers, non-Jews who infiltrated the Jewish nation over time and worked their way into positions of influence.

## **The Opiate**

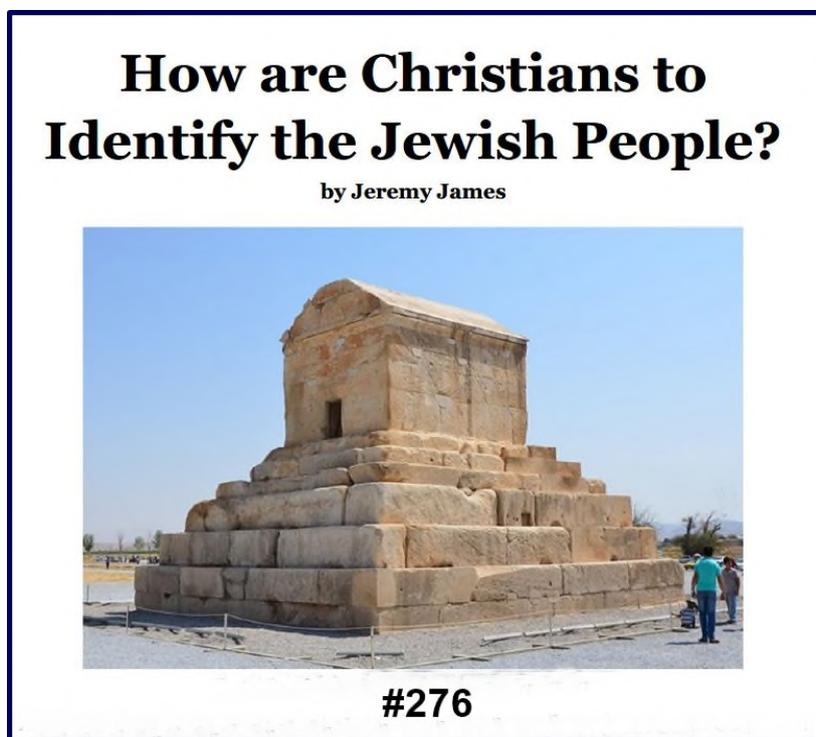

The Enemy intends to use the Synagogue of Satan to turn the world against Israel. A Jewish rabbi, Marvin Antelman, famously warned of the immense harm being done to Judaism by the secret clique which is deeply embedded within world Jewry. He called it the Opiate, seemingly because they employed non-Biblical religious ideas to take over the minds of Torah-observant Jews. He traced their lineage to the Sabbatean Frankists who emerged in Germany in the 17<sup>th</sup> century and, later, the Illuminati group formed by Adam Weishaupt in 1776. A man of rare conviction, Antelman formed a council of American rabbis which excommunicated Henry Kissinger from the Jewish fold in 1976. The same council later excommunicated hundreds of other Sabbatean Frankists as enemies of the Jewish people.

Few Jews today are aware of Antelman and his stark warning, namely that there exists within Judaism a dangerous clique dedicated to its destruction, a group which rejects the God of the Torah and works instead through the magic of Kabbalah to secure world domination.

It is impossible to say what percentage of the world Jewish population is aligned with this clique. It is probably quite small. The secrecy involved requires tight control over the way its members communicate. Much the same may be said of Western culture, which is nominally Christian, but which is secretly controlled by Freemasonry and apostate elements within the Catholic Church. In that case, too, the total membership, relative to the population as a whole, is seemingly quite small.

As many who have researched this subject have concluded, one percent of the world is working hard – in great secrecy – to enslave the other 99 percent.

### **Deceived Jews and deceived Germans**

As a result, the common Jewish people have been greatly deceived by their leaders. We saw this in Weimar Germany, where the Opiate (to use Antelman's term) debased the currency through deliberate mismanagement by the banking system. The resulting hyper-inflation caused economic chaos. Millions of German families were reduced to poverty. Many lost their homes and their businesses. Anyone with a few ounces of gold could buy a mansion or a large commercial property. This enabled many foreigners, including Jews, to take advantage of the German people. Attractive assets changed hands at a fraction of their real value.

The German people were greatly angered at the way their hard-earned property and possessions were expropriated. The Nazis made extensive use of this for propaganda purposes, vilifying the Jews for their perceived greed and duplicity. To make matters worse, in 1933, when the German economy was finally getting back on its feet, the World Jewish Congress approved a boycott of German goods in American stores and even published lists of stores that sold German goods, urging Americans to shop elsewhere. The boycott lasted all through the 1930s. Needless to say, this only reinforced the general perception within Germany that the Jews were determined to wreck their economy and their country.

By these and similar devices the Opiate prepared a path to the Holocaust. The End Time scenario unfolding before us will likely see a re-run of the same strategy, but on an international scale. The Jews and Israel will be accused of conspiring against the rest of mankind and causing the cascade of calamities that will shortly come upon the earth.

### **The Children of Chaos are trying to enslave mankind**

When we see the big picture, “**the time of Jacob’s trouble**” (**Jeremiah 30:7**), described in the Bible, it is much easier to understand how the Children of Chaos are working stealthily to enslave mankind. We can see how their wicked program feeds directly into the events portrayed in the Book of Revelation. The poisoning of our environment, for example, is just a small part of what they are doing. The graphene oxide which they are adding to vaccines can cause blood clots and other fatal conditions. This is why 5G towers and 5G antennas are being erected all over our cities and populated areas, capable of emitting frequencies which agitate and energize the graphene in our bodies and cause serious health complications. It is also why the governments of the world – under the control of the Children of Chaos – are doing all they can to make everyone, even our children, take the Covid vaccine.

This vaccine is dangerous. No Christian should allow an untested, experimental substance to be injected into his or her body. It is a serious sin to pollute or cause harm to the temple of the Holy Spirit. That so many pastors should have encouraged their flocks to take this wicked cocktail is glaring proof that the visible church has fallen headlong into apostasy and idolatry. This is the Laodicean church, the church which Jesus said he would spew out of his mouth.

### ***The life of the flesh is in the blood (Leviticus 17:11)***

The Enemy is using every means possible to violate the order established by God. The vaccines have enabled him to inveigle Christians into breaking a commandment which has applied to ALL mankind since the days of Noah: **“But flesh with the life thereof, which is the blood thereof, shall ye not eat.” (Genesis 9:4).**

We are not to ingest or consume blood or blood products:

**“It shall be a perpetual statute for your generations throughout all your dwellings, that ye eat neither fat nor blood.” (Leviticus 3:17)** [The “fat” here is the fat which surrounds the internal organs of an animal, sometimes known as ‘sweet fat’ or suet.]

**“Therefore I said unto the children of Israel, No soul of you shall eat blood, neither shall any stranger that sojourneth among you eat blood.” (Leviticus 17:12)**

**“Ye shall not eat any thing with the blood: neither shall ye use enchantment, nor observe times.” (Leviticus 19:26)** [Note that the eating of blood is listed alongside magic and astrology.]

The council of the apostolic church which first met at Jerusalem decreed that this prohibition, though found in the Mosaic Law, is binding on all believers, whether Jew or Gentile:

**“But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from things strangled, and from blood.” (Acts 15:20)**

It is widely known that these Covid vaccines contain cell lines derived from the blood of aborted children. So we need to ask, Is this blood or is it not blood? Well, the Word of God gives an irrefutable answer. It is very simple. For seven days, during the Fast of Unleavened Bread, the Jewish people had to remove ALL leaven from their homes. Not a trace could remain. There was no way to excuse a miniscule amount. As the Apostle Paul said (twice), **“A little leaven leaveneth the whole lump.”**

The blood cells in these vaccines are just like leaven. They greatly offend the God Who made us.

We also need to ask another question: Is the offense even greater if the blood cells come from a murdered child? That's not a hard question to answer! As the LORD said to Cain: **“What hast thou done? the voice of thy brother's blood crieth unto me from the ground.” (Genesis 4:10)**

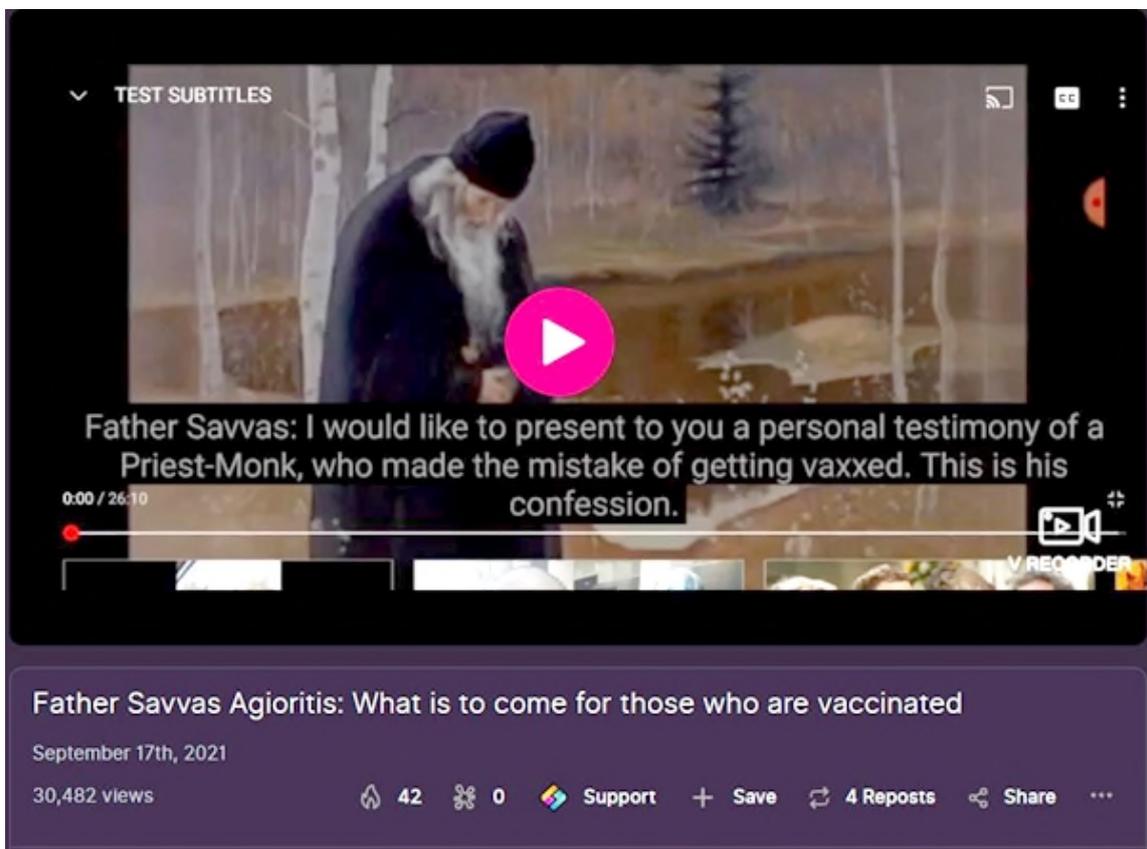

These vaccines differ little, if at all, from occult potions designed to breach or impair our connection with God. They cause harm at both a physical and a spiritual level.

Why do Christians continue to believe that Satan would not possibly do such a thing? Rather, they should remind themselves every day that he is well capable of planning these vile acts and inducing his earthly servants, the Children of Chaos, to carry them out. As the Apostle Peter said, he is continually on the prowl, **“seeking whom he may devour.”**

Far too many Christians have long ceased to heed Peter's solemn injunction, **“Be sober, be vigilant”!** Instead they swallow with gormless credulity the vicious lies told by their governments and the pharmaceutical industry.

### **A testimony of spiritual harm caused by the vaccine**

While we cannot say with any assurance how this spiritual attack will affect the lives of believers who have taken the vaccine, there is no doubt that they have sinned in doing so. If they could at least acknowledge this, and repent, the LORD in His mercy might alleviate their burden.

Consider the following case. It comes from a sermon by a Greek Orthodox archimandrite, Savas Agioreitis, on 16 September 2021.

Here is how he described the impact of the Covid vaccine on a fellow monk whom he knew personally:

I would like to present to you a personal testimony of a priest-monk who made the mistake of getting vaccinated. This is his confession. *[The written comments by the vaccinated monk are shown in the indented passages below]:*

With a few words, I will relate my experience after taking my first dosage of the Pfizer vaccine. God obstructed me with many signs before taking the vaccine, due to shortness in time I will not mention all of them. As I was heading towards the vaccination center, right before I was getting into the queue I felt something was obstructing my approach. As I approached, I felt (smelled) a stench that surprised me.

...You see, God cautioned him and he still went ahead.

**Kalimafi (priestly hat)**

While I was taking the vaccine, others were waiting outside. As I was leaving I was unable to wear my kalimafi (priestly hat). I felt a great shame within myself, and left holding my kalimafi in my hands.

As you can see, he began to feel the demonic influence right away. He was ashamed to wear his kalimafi even though he was a priest.

Arriving home, I went to the bathroom to wash my face. Upon looking at the mirror, I was frightened at my face due to the expression I had. The next day I went shopping at the supermarket and since it was still the period after Pascha (before the leave-taking), I would normally greet the shopkeepers with “Christos Anesti (Christ is Risen!)” or respond “Alithos Anesti (Indeed He is Risen)”.

As you know, for 40 days after the Resurrection, we refrain from saying “Hello/Good day” and replace it with the phrase “Christ is risen.” The other Christian should respond, “Alithos Anesti,” and not say “likewise.”

As a priest monk, I was surprised to discover that I was very ashamed to say “Christo Anesti” to the shopkeepers. This greatly overwhelmed me. A day later I went and attended a divine service at a local church, but not to liturgize the service as the priest. Upon entering the Altar I felt as if I was dead. The joy I used to feel at the divine service was lost. It was as if I was not entering the altar of a Holy Church, but as if I had entered a room in a house. All these things surprised me, but at the time I did not believe they stemmed from the vax.

I saw familiar parishioners turn their faces away from me.

The next day I found out that my conscience was causing me terrible pain. It is as if I had been pierced in my heart with such pain that I had never felt before in my life.

I told this to a fellow Archimandrite (monastic priest), what I was feeling, and he consoled me. He told me words along the lines of: *‘It’s nothing, don’t worry about it.’*

Upon leaving, I found that this pain in my conscience was relentless and was deepening further within me. After that day forward I was in a deeply troubled state which lasted thirteen days. I could not sleep or quiet down.

Now allow me to explain the most terrible part. Day and night I constantly saw Satan in front of me, his face 20mm distance from mine.

I went to sleep at night, and felt him hugging me, and I would get cold all over...I felt a foreign presence within me and it was judging me. I felt a horror as if someone was saying: *“You belong to me now.”*

I had stayed at my family home in case of an adverse reaction. After a few days I left.

At the Monastery where I currently reside, at the Divine Liturgy, I found that I could not understand a thing. I felt as if I was dead. I was constantly rushing through the service, felt great anxiety, not a speck of joy. I felt as if I was not a priest or even a baptized Christian! I reached a point unable to speak as if I had lost my voice. I felt my life was dark and a constant state of despair.

While I was in this hopeless state, a familiar family came to visit the monastery. I spoke with the mother. She said to me, “*Father, why are you speaking like this? Many people after taking the first dosage, do not end up taking the second dosage. So you too, should not take second dosage!*”

As she was telling me these words, I felt a certain refreshing dew entering my soul. I was consoled by God’s grace.

I find it unnecessary to mention the despair I went through and the tears I shed. I don’t know whether it’s a coincidence or not, but exactly 40 days after the vaccine I started to feel the grace of God again. I began to feel peace and consolation, that God had forgiven me for what I had done, even though I had no knowledge of what this vaccine actually was.

I do not dare or want to know what would have happened to me if I had taken the second dosage of the vaccine. The only thing I can say is that God felt sorry for me. Even though now I feel better, I have not recovered to the state I was in prior to taking the vaccine.

In my humble opinion, this vaccine by Pfizer that I took is a mark (seal), but not the final mark. Most likely a forerunner for the final mark of the beast (Book of Revelations).

## CONCLUSION

Few Christians want to hear what we have to say. Nonetheless, it must be said. We began this series of papers in January 2009 with a study of Freemasonry in Ireland called, ***The Dublin Occult Grid: The Use of Black Magic by Ireland’s Ruling Elite.***

Not many realized at that time just how venal and corrupt our political leaders were, or how many came from generational Luciferian families. We are now at #288 in our series and the unpleasant task of exposing this wickedness continues.

It can come as a great shock to learn that these servants of Satan are capable of marching in step with the worst of their international counterparts. One only has to consider their determination to poison our children with dangerous ‘vaccines’ to see how depraved they are. Their ability to lie endlessly, with a smiling face, is painful to behold.

We will close with an uplifting story. It shows how lovingly the Holy Spirit watches over one each of us.

Only a handful of churches in Ireland remained open during the Marxist-Masonic lockdowns. They were led by real shepherds who stood by God's Word. A few months ago a member of one of these churches brought along a Jewish friend, a non-believer. He came, apparently, only to observe and had little personal interest in Christianity. The pastor's wife gave the sermon. After the service ended, the pastor approached the Jewish visitor, both to welcome him and to gauge his response to what he had just heard.

The man wanted to ask a question: "Where did your wife learn Aramaic?"

The pastor was puzzled. "My wife doesn't speak Aramaic."

Aramaic was the language spoken in Israel in ancient times. This Jewish man had learned it as a child.

When the pastor denied that his wife spoke Aramaic, the man was confused and a little upset. “But the whole service was in Aramaic!” he said.

The pastor called his wife over and introduced her to the Jewish visitor. As soon as she began talking, he said excitedly, “See, I told you she speaks Aramaic!”

The man was astonished to learn that she was speaking in English but he was hearing her in Aramaic. This was true Biblical tongues, a gift from the Holy Spirit as a sign to unbelieving Jews: **“For the Jews require a sign... Wherefore tongues are for a sign, not to them that believe, but to them that believe not:” (1 Corinthians 1:22 and 14:22)**

Overcome by the experience and weeping, he received Jesus there and then as his Lord and Savior.

Then he said, much to everyone’s surprise, “Then I must be baptized!”

The pastor said, “As it happens we are holding baptisms next Sunday.”

The man said, “Not next Sunday – today!”

So they went straight down to the sea and baptized him.

**“And I will execute vengeance in anger and fury upon the heathen, such as they have not heard.”**

**- Micah 5:15**

**“Who can stand before his indignation? and who can abide in the fierceness of his anger? his fury is poured out like fire, and the rocks are thrown down by him.”**

**-Nahum 1:6**

**“I have trodden the winepress alone; and of the people there was none with me: for I will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment.”**

**- Isaiah 63:3**

The Children of Sheth are about to have their hour, but God in the heavens shall laugh in derision. He will achieve His holy purpose, bringing forth those that are His and accomplishing to the smallest detail all He foretold. When the time of Jacob’s trouble has run its course, Jesus Christ of Nazareth will come in glory, surrounded by legions of his holy angels, and will crush the wicked with a fury unlike any ever seen.

Praise the LORD for His Mercy!

Praise His Holy Name!

Maranatha!
