

We Ought to Obey God Rather than Men

by Jeremy James

The true face of the ‘New World Order’

“...if you refuse to be vaccinated the state has the power to literally take you to a doctor’s office and plunge a needle into your arm.” – Alan Dershowitz, 19 May, 2020.

As a watchman ministry, we seldom get an opportunity to share good news, other than the good news of the Gospel. The Enemy has been incredibly active, with so many of his nefarious schemes maturing at the same time, all with a view to imposing a ‘New World Order’, that it is now proving difficult to keep up with so much ‘bad’ news.

As Christians we can face these disturbing developments in the sure knowledge that our Lord, Jesus Christ, will return at the time appointed by his Father, firstly in joy for his Bride, and then in triumph to annihilate the Wicked.

Who knows what the saints must endure before the Rapture of the Church? Whatever transpires, we can be certain that it will serve a purpose far greater than anything our little minds can conceive. It may be a time when many forlorn souls will escape the chilling grip of the Adversary and accept the gift of Salvation.

The good news

The good news pertains to a matter which we have discussed several times over the past few months, namely, the patent failure by the church to recognize the Satanic nature of the pandemic lockdown and the sinister steps being taken by the servants of Satan to restrict, if not prohibit, Christian assembly and worship.

The pastor of a church in Hawaii gave a sermon on Sunday 26th July in which he publicly rejected the authority of the US government – or, indeed, any government or civil authority – to limit or proscribe Christian worship. He further stated that the right to worship has been established by the command of God and all Christians have that right, regardless of whether or not it has been granted in a Constitution.

The pastor in question was J D Farag of Calvary Chapel, Kenehoe, Honolulu [See photo below].

We do not know whether any other pastor, in America or elsewhere, has made a similar declaration, but if other pastors have, we commend and applaud them all! Praise the LORD! This is GOOD news. This is something that all true Christians will greet with enthusiasm.

What the pastor said

Pastor Farag's words are reproduced below. Please share this news widely and encourage other believers to reflect, with gratitude and appreciation, on the sound Scriptural position that Pastor Farag has adopted. We can only pray that other pastors, who to date have been hesitant, will find the courage to step forward and follow his example.

From the sermon by Pastor J D Farag – ***Bible Prophecy Update, 26 July 2020*** – at the church of Jesus Christ, *Calvary Chapel*, in Honolulu, Hawaii [YouTube link: <https://www.youtube.com/watch?v=0ayBZFO6nho>] [45.20 – 48.50]

“This is probably the right time to go on record with the official position of this church.

“As the pastor of this church – which, as you know, is my profound privilege to be – this is our formal position. In response to the city and county of Honolulu’s Thursday July 2nd Amendment to Emergency Order Number 2020-18 which requires “all individuals within the city to wear face coverings while outdoors in public spaces when maintaining a physical distance of six feet from persons who are not members of the same household or residence is not feasible” and whereas section 11 on page 35 of said Amendment limits “in-person spiritual services” we have been forced into non-compliance.

“While we certainly wish to obey the laws of the land as the Apostle Paul exhorts us to do in Romans 13, verses 1 and 2, the city and county of Honolulu has regrettably and unlawfully overreached and, as such, we must posture ourselves as did Peter and the Apostles in Acts chapter 5, verse 29, who, after being told that they had strict orders not to teach, proclaim, and worship Jesus Christ stated, “We must obey God rather than man.”

“Moreover, the city and county of Honolulu, respectfully – this is not in defiance – respectfully, has exercised unlawful authority [by] ordering us to disobey the Word of God and the God of the Word. Simply put, God has not given the government authority over the church, its pastors, and/or its leadership, and is in fact prohibited from any interference with church matters that would in any way overrule the church’s God-given authority.

“Furthermore, the church of Jesus Christ is not subject to government officials; rather, government officials are subject to Jesus Christ. Finally, we will never seek the government’s permission to assemble as a church nor – and this is very important – are we contending for the constitutional right vis-à-vis the First Amendment of the United States Constitution which states “Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof.” And here’s why: Our religious freedom of worship is a command given by God and not a privilege granted by the state. And that’s why we will not ask for said permission.

“That’s our formal position.”

Some comments on mask wearing in public

If we wear a mask in a store because the store management claim it is mandatory, we are crossing a line. The same law that mandates this behavior in a store (or other public place) can also be used to mandate it in our churches. If we accept it in one place (our local store) then we are effectively conceding to the civil authorities the right to make it mandatory in our local church.

Satan has set this trap in the knowledge that many Christians will not see how it works, or how much they will lose if they fall into it.

As the US Supreme Court ruled on 25th July, gamblers and prostitutes in Las Vegas are being granted rights of assembly which it continues to withhold from Christians. But, as Pastor Farag rightly stated, the Supreme Court has no authority in this matter! Our right of Christian assembly comes from God – and ONLY from God.

The Sabbath was made for man and not man for the Sabbath. The oppressive rules that our modern-day Pharisees have devised have only one purpose, to restrict and, if possible, eliminate true Christian worship. The Luciferians on the Supreme Court – who serve the serpent god of Kabbala and Freemasonry – may glory, for now, in the power they presume to exercise, but it won’t last.

Another arrogant Kabbalist, the lawyer Alan Dershowitz – a known associate of predatory pedophile Jeffrey Epstein – had the audacity to make the following claim in an interview on 19 May and again, in a more nuanced manner, in a debate with Robert Kennedy Jr on 23 July:

Screen shot of Alan Dershowitz during an interview on 19 May, 2020.

“Let me put it very clearly. You have no constitutional right to endanger the public and spread the disease. Even if you disagree you have no right not to be vaccinated. You have no right not to wear a mask. You have no right to open up your business...if you refuse to be vaccinated the state has the power to literally take you to a doctor’s office and plunge a needle into your arm.”

This clip was replayed during the interview that Patrick Bet-David conducted with Dershowitz and Kennedy on 23 July (<https://www.youtube.com/watch?v=IfnJi7yLKgE>). Dr Dershowitz did not withdraw or qualify anything he said in the earlier interview.

On two occasions during the earlier interview, the demon controlling Dershowitz showed itself for about half a second – first at 3.29 and then, more aggressively, at 3.31 (see above). Many who watched this video probably missed these two remarkable flashes of demonic rage. A normal person cannot do what Dershowitz did – form and erase a raging expression in half a second – but a demon can. We would suggest that readers go to the original recording on YouTube and pause at these positions. (The best way to catch a fleeting image on YouTube is to press the Play/Pause button twice in rapid succession.)

Alan Dershowitz was the guest of honor at a special event held in June 2019 at the headquarters of Chabad Lubavitch in Brooklyn, New York. Chabad is steeped in Kabbala and is intensely hostile to Christianity. According to the Noahide Laws, which are zealously promoted by Chabad, worship of Jesus Christ is an act of idolatry which must be punished by beheading.

ABOVE: Jeffrey Epstein with Alan Dershowitz.

Dershowitz was on the legal team that brokered a non-prosecution agreement for Epstein in 2007 against claims, based on overwhelming evidence, that he had engaged in child sex trafficking. A court in Florida ruled in 2019 that the agreement was illegal.

The Bridle

We are familiar with the bridle that farmers and equestrians use to control horses and donkeys and direct their movements. It fits over the face, especially the mouth area. The Word of God asks that, as children of God, we do not allow ourselves to be treated in this way:

“Be ye not as the horse, or as the mule, which have no understanding: whose mouth must be held in with bit and bridle [*recen*], lest they come near unto thee.”

(Psalm 32:9)

Isaiah also refers to a bridle in the End Time:

“And his [i.e. Christ’s] breath, as an overflowing stream, shall reach to the midst of the neck, to sift the nations with the sieve of vanity: and there shall be a bridle [*recen*] in the jaws of the people, causing them to err.”

(Isaiah 30:28)

In this passage the prophet is speaking about the return of Christ when he comes to destroy the nations – **“his lips [will be] full of indignation, and his tongue as a devouring fire” (v.27)**. The bridle refers to the providential means that the Lord will use to thwart the will and rebellious intentions of overweening men. The image is so vivid, however, that it may also be an allusion to the mask that the Enemy is using to veil **“the nations”**, making them submit unconditionally to his authority and **“causing them to err”**:

“And he will destroy in this mountain the face of the covering cast over all people, and the veil that is spread over all nations.”

– Isaiah 25:7

Once men are conditioned to accept the **mask**, it will be much easier to get them to accept the **mark** (Revelation 13:16 etc).

Christians should be able to see how all of this fits together. The Word of God gives us the main elements in the blueprint that the Enemy is following.

As a worldwide exercise in social engineering and mind control this entire program drips with the treachery and cunning of Satan. In our view, there will be no “return to normal” and no restoration of the liberties we once enjoyed. The Enemy will keep up the pressure until he has subdued all opposition.

The proposed vaccine is certain to contain ingredients inimical to the well-being of everyone who takes it, including elements that will cause infertility, weaken our immune system, and promote chronic inflammatory conditions. According to informed reports, it may also contain nano-sized components and other ingredients that will interfere with the normal functioning of our DNA. Those who have studied the emergence of this wicked plan over the past fifty years or so have no doubt about its genocidal purpose or its pivotal role in the subjugation of nations.

CONCLUSION

We greatly welcome the public declaration by Pastor Farag on 26 July! If other pastors have made similar pronouncements, we rejoice in those also. It is good news indeed, sweet to the ear and pleasing to the soul. We urge our readers to share it with others.

**“Hearken unto me, ye that know righteousness,
the people in whose heart is my law; fear ye not
the reproach of men, neither be ye afraid of
their revilings.”**

– Isaiah 51:7
